Full Page Ad	\$150	_____
Half Page Ad	\$75	_____
Quarter Page Ad	\$50	_____
Eighth Page Ad (business card size)	\$35	_____

Designate which size ad you want to place in the Apple Festival program by writing the amount owed in the blank at the right. A full page ad is 6 inches across by 7 ¾ inches down. Make sure your ad is camera-ready and preferably in black and white for greatest clarity. You may mail us the camera-ready ad as a hard copy or as an electronic file compatible with Microsoft Word 2007 (such as jpegs or bitmap images). We do not recommend faxing ads because of poor print quality.

Placement of the ad in the program is left to the discretion of the Women's Civic League. Deadline for submission of your ad is September 13, 2007; however, the sooner the better. Payment is due upon submission of the ad. Please contact us if you have any questions.
