Designate which size ad you want to place in the Apple Festival program by writing the amount owed in the blank at the right. Create a Word Document of your ad that can be edited for fitting and sizing purposes. PDF's lose clarity when copied/pasted. Ads should be in black and white.

Placement of the ad in the program is left to the discretion of the Women's Civic League. Deadline for submission of your ad is September 1, 2010; however, the sooner the better. Payment is due upon submission of the ad. Please contact us if you have any questions.
